Andrea,

I completed my portion.

Thomethia

**Subject:** Alternatives to Abortion account setup (Prod)

Dear Thomethia Thrist,

A new application has been developed to monitor the newly awarded Alternatives to Abortion contract. Effective November 1, 2016, Alternatives to Abortion contract participants must enter all data in the new application. If you do not have a Missouri Login (MoLogin) account you must create one before you can use the application.
